Carpinteria Competition

Friday July 17, 2009

On Friday we will be competing in our first competition of the year at Carpinteria City Beach. We would like to ask for your assistance in helping us transport participants to and from Carp. A bus will be provided, which can seat forty children. The Bus will leave at 8:30 am and arrive back at East Beach at approximately 3:00 pm. All participants requiring a ride will meet at the Cabrillo Bathhouse at 8:15 am.

Should you decide to organize a carpool or drop off and pick up your child from Carpinteria, we ask you have participants at Carp City Beach by 9am, and you return to transport back to East Beach no later than 2pm. It is also imperative that you notify a group instructor prior to July 15th that you will be making separate travel arrangements, so we can account for all program participants safety. Also, if you do drive participants to the comp, please make sure that you will also be able to pick up those same participants at the end of the day. Our bus cannot accommodate participants that are driven separately to the comp.
